Department: Operations

FLSA Employment Status: Non-Exempt

ESSENTIAL FUNCTIONS

Under the direct supervision of a Program Supervisor, performs inspections and control operations for all vector programs, provides assistance and support to other Vector Control personnel, and does related work and supportive services as required. Essential functions include extensive driving throughout the county, traversing various terrains to conduct surveillance and inspections, the ability to transport and apply pesticides, effectively communicating with members of the public and other District personnel both verbally and in writing, the ability to efficiently plan and execute their daily workload with minimal supervision and exercise good judgement in assessing the appropriate treatments in various situations.

DISTINGUISHING CHARACTERISTICS

The VCTI/VCTII/VCI is responsible for tasks associated with Integrated Pest Management within the county related to mosquito and vector control. Responsibilities include the application of comprehensive vector control measures with major emphasis on activities designed to inspect for and/or progressively reduce the vector population within an assigned area, and to assist the public with related vector problems. It is expected that all Vector Control personnel increase in skill and responsibility as they progress through the job titles/steps; the VCTI/VCTII/VCI needs to be, with training, proficient and capable in accomplishing duties in all District vector programs.
